The International Society for Bonding Psychotherapy (ISBP) invites you for the 19th International Bonding Psychotherapy Conference on June 7-9th 2013 in Bruges (Belgium)

Venue: “GROOT SEMINARIE”
Pottereierei 72, 8000 Brugge (Belgium)
www.grootseminariebrugge.be

Chairman of the Conference : Johan Maertens
johan@jmaertens.be

A central theme of Bonding Psychotherapy is that humans have a biologically based need for emotional openness and physical closeness to others. The ability to fulfill this need is an important component in developing a secure attachment in relationships. The conference will deal with the themes of bonding needs, attachment and interpersonal relationships.
Scientific Committee: Jeff Gordon (Germany)  
Dr. Martien Kooyman (the Netherlands)  
Johan Maertens (Belgium)  
Bogdan Polajner (Slovenia)  

Organization: Moniek Van Deile  
moniek@bondingpsychotherapy.org  
www.bondingpsychotherapy.org
